AUGUST 28-29

at Iowa Regular Baptist Camp

A BRIEF NOTE FROM YOUR IARBC RETREAT LIAISON

Welcome to Men's Revive 2020! This crazy year has certainly been one for the books, but we're thrilled that you were able to carve out a couple of days to dive deep into God's Holy Word. Our speaker this year is Jon Jenks (the new President of Baptist Church Planters). Jon will be delivering a series of messages that will be sure to strengthen and encourage our hearts despite the turbulent days that we're living through.

Jon will be addressing the topic of "Healthy & Thriving Churches" in three main sessions. In his third session, he will open up his time for a Q & A. If you have questions that you would like Jon to answer, please text them to our Retreat Liaison at 850-776-5504. Thank you for coming to this year's Men's Revive and we pray that you have a wonderfully fruitful time growing in the Lord!

JON JENKS

Jon's passion as an administrator and leadership coach is to strengthen churches so that they reach the lost, grow believers, and multiply. His vision for Baptist Church Planters is that these strengthened churches might plant new churches and revitalize churches. Jon serves as the new president of Baptist Church Planters and continues to lead their efforts in the revitalization and helping churches develop intentional discipleship. The Leadership Journey material for the men and The Grove for ladies has been used by God to mobilize a growing number of trainers and churches who work closely with Jon in this ministry. Jeniffer, the love of his life, partners fully next to him in these endeavors.

Jon's passion for God's church began through the ministry of his parents whom God is still using to revitalize and plant churches. Then God used, for over 20 years, the people of Calvary Baptist in Wisconsin Rapids, WI, who trained, loved, helped, followed, and

served alongside the Jenks. Calvary Baptist and the Jenks had a focus on intentionally making a disciple of every age. Jon and Jen saw God grow the church, send over two dozen people into full-time ministry, plant a church, and allow them to serve many other churches. Calvary formed Jon and Jen and was formed by them. Calvary helped Jon and Jen rear and then launch their children, Rob, Joshua, and Abigail, into adulthood. Rob and his lovely wife, Alyssa, have recently launched Jon and Jen into grand-parenting with Alayna, their granddaughter.

Jon loves to hunt waterfowl and upland game with his German short-haired pointer, Blitz. These discipleship hunting opportunities are a highlight in his year. Jon and Jen have recently moved to Ohio with her parents whom they care for. They are seeking to abide in Christ so that He might provide new opportunities to counsel, mentor, and witness in their new environment.

WORKSHOP SPEAKERS

TIM CAPON

After growing up in a religious and unsaved home, Tim came to Christ for salvation in 1983 at the age of 28 along with his wife Sandy. He responded to God's call to the gospel ministry, left his profession as a civil engineer, and began his training for pastoral ministry at Faith Baptist Bible College. He served the Lord as a pastor for over 28 years in two Iowa churches. For the past six years Tim has been serving as the IARBC State Representative. He also serves on several boards including Faith Baptist Bible College, the GARBC Council of 18, and Men for Christ. God has blessed Tim and Sandy with 43 years of marriage, 3 children, two sons-in-law, a daughter-in-law and 10 grandchildren. Tim enjoys grilling, camping, hiking, biking, and really enjoys turkey hunting with Sandy. He loves preaching and teaching the Word of God, helping churches, working with pastors, discipling new believers, and has a burden for families and reaching the lost for Christ.

DR. DEAN TAYLOR

Dr. Dean H. Taylor is Professor of Pastoral Studies and Chair of the Ministries Division at Faith Baptist Bible College in Ankeny, Iowa. After serving in pastoral ministry for twenty-five years, Dean's mission now is to equip a new generation of pastors, be a friend to men in ministry, and encourage biblical church growth. Dean's book *The Thriving Church: The True Measure of Growth* was released in December, 2019. He publishes articles at deanhtaylor.com, including a series on *The Pathway to Pastoral Ministry*, intended to guide and encourage young men considering pastoral ministry. He produces the podcast, *Shepherdology: A Pastor's Friend*. Dean and his wife Faith have four adult children and three grandchildren. He enjoys cycling, tennis, trout fishing, and beekeeping.

SCOTT OWEN

Scott Owen is the Director of Intentional Transitional Ministries with Baptist Church Planters. He has over 30 years of ministry experience as solo pastor, associate pastor, and Bible college administrator. He is certified with the Association of Certified Biblical Counselors (formerly NANC) and the Institute for Christian Conciliation (formerly Peacemaker Ministries). His training with T-Net International prepared him to serve as the lead trainer for the Intentional Discipleship Training of the Iowa Association of Regular Baptist Churches. He is the owner of Hope In Conflict L.C., offering consulting and conciliation services. His passion is to help churches work through conflict and prepare for effective ministry. He also enjoys training Christian leaders to be peacemakers and intentional disciple makers. Scott has been married to Marti for over 30 years, and they have four children and five grandchildren.
